# Speech & Language Therapy Baselining & Assessment

ITS, a UK Wide Speech and Language  
Therapy Service

# SPEECH & LANGUAGE THERAPY CONCERNS?

Are you unsure how you will screen all your Speech and Language SEN needs at the beginning of term?

Are you worried you don't have the budget to provide the ongoing Speech and Language Therapy support you need and are lacking support from statutory Services too?

## Our Screening & Assessment Service offers:

1. Spot purchasing at the beginning of a term with no tie ins.  
A highly specialist SLT team to screen all
2. selected students with SEN\*. You select the number of spot purchase days required.  
A complete full standardised assessment,
3. informal assessment and classroom observation.  
A full SEN SLT report of assessment,
4. personalised targets and teaching strategies to support each child's presenting SEN.  
An outline to any steps a student might
5. need in respect of the code of practice, with supporting evidence you need.  
A repeat baseline assessment in future
6. months to measure progress. There is no obligation to tie in to our service.
