

Colourful Semantics - A walk in the Spring

You can use this pack with children when talking about the the time of year of Spring time and what you might see if you went for a walk outside. This pack will support children when expressing their thoughts and feelings. You can also use this to talk about describing objects and concepts.

You can prompt them by asking questions such as:

- Where did they go?
- What size is it?
- What happened next?
- What does it look like?
