

Colourful Semantics - Diwali

You can use this pack with children when carrying out Diwali themed activities. You can talk about the story, traditions and what the children can see around them. It will support them when expressing their thoughts and feelings. You can also use this pack to practise using describing words.

You can prompt them by asking questions such as:

'who did you see during Diwali?'

'what did you eat?'

'did you get any treats?'

'where did you go?'

'how do you celebrate?'

'did you decorate your house?'
