

## Colourful Semantics - Christmas Pack

You can use this pack with children to help them understand the story of The Snowman whilst reading the book. It can be used to support sequencing and retelling the story.

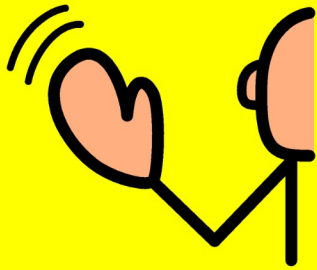

You can prompt them by asking questions such as: `Who is in the story?` 'What happened first?' 'What was the weather like?' 'What happened in the middle of the story?' 'What happened at the end?' 'What was your favourite part of the story?'
