

Colourful Semantics - Oracy & Reading Comprehension Pack

Key Questions & Reading Materials

You can use this pack with children when supporting them with reading and comprehension. This pack contains symbols and vocabulary for asking key questions and exploring different reading materials. There are blank boxes and clouds provided for you to personalise your own book characters, verbs, objects, locations and adjectives.

You can prompt them by asking questions such as:- What sort of text is this? How do you know? Who are the characters?

How do they feel? What happened first? What do you think will happen at the end? Where does this take place? Can you retell the story? Where in the book would I find this information?
