Totals							

LFT Score	
3 points	The pupil has understood the question and has given a relevant answer. The answer is accurate and does not require the listener to further interpret the pupil's answer. There may be minor grammatical errors but these do not affect meaning.
2 points	The pupil has understood the question and has given a relevant answer. The listener may have to infer some information. Grammatical errors affect meaning.
1 point	The pupil's answer shows that they could have understood the question, but his/her response is not clear. The listener needs to interpret the information
0 points	Here the answer is incorrect, inaccurate, tangential to the question or no response is given.

Score	Language Level to start at
0-15	Not ready to use 'Language for Thinking'
16-36	Language Level A
37-57	Language Level B
58-75	Language Level C
76+	Success!
