

1. What did you gain from the course?

2. How would you rate the presentation on a scale of 1 – 5?  
(1 = poor and 5 = excellent)

Do you have any comments about the style of presentation?

3. How would you rate the usefulness of the course content on a scale of 1 – 5?  
(1 = limited usefulness and 5 = extremely useful)

Do you have any comments about the course content?

4. How would you rate the length of the course on a scale of 1 – 5?  
**Please note 1 = too short      3 = about right      5 = too long**

5. Please let us know what future training you might be interested in, including any new topics you might like to hear about.

6. How many children who stammer on your caseload would you expect to use this training with in the coming year?
