

## Can you say these?

Some roses have thorns

You have to be careful a thorn does not get stuck  
in your finger

I have to think a lot his week

What things do you think about?

I think about funny things

What's that over there?

Three Scottish thistles in the thicket

There's a thistle over there I think

There isn't another one

Whether the weather be fine  
Or whether the weather be not  
Whether the weather be cold  
Or whether the weather be hot  
We'll weather the weather whatever  
the weather  
Whether we like it or not

Three free throws

Lesser leather never weathered wetter weather  
better

They both have thirty-three thick thimbles
