

## Grandma Is Coming

Grandma is coming for a visit. She is coming in her big car. Timothy made a picture for her. Anna is going to show her a dance. They are hoping she will arrive soon. They want to go to the park. Grandma will push Timothy and Anna in the swing. When they go down the slide, Grandma will take their picture. On the way home, they will get an ice cream cone.

Grandma plays the piano. Timothy and Anna like to sing. They like it when she plays “Big Rock Candy Mountain.” When Grandma comes, they will play and sing. Then Grandma will read each of them a story. Timothy has a new book he wants her to read. It is called *Mr. Shim’s Measuring Machine*. Anna wants her to read her favorite book, *The Jolly Cat*.

Anna and Timothy are waiting for Grandma by the window. “Is she here yet?” they ask. They are looking for her big car. Finally, they see it. Grandma is here! They run out the front door and give her a big hug.
