

Swimming

I like to swim when it is hot outside. It is very fun. I swim in a big pool. I can jump in the water. I get all wet. I can float on my back. I can float on my tummy too. I open my eyes under the water. I can see my brother. I can see my mom. They watch me. I think the water is cool. It feels good. I like to splash and blow bubbles and yell. After I swim, I dry off with my towel. My towel is yellow. It has a picture of a treasure chest on it.
